PROGRAM REQUIREMENTS

We as the members of LPFD Fire Explorer Post #933 take great pride in learning about the Fire Service. We expect from each new Explorer commitment to learning and attendance. We expect you to attend nearly every training day because we build upon the skills and some of the training can't be made up. There are exceptions to this rule as you will learn if selected to be in our post.

Lastly, we take safety very seriously. Safety for ourselves and for others is always the #1 priority.

LIVERMORE-PLEASANTON FIRE DEPARTMENT EXPLORER POST #933

Who Are We

The Livermore-Pleasanton Fire Explorers Post #933 was established in 1999 by Captain Jorge DellaSanta. We are a program dedicated towards training tomorrow's firefighters through the Livermore-Pleasanton Fire Department and the Boy Scouts of America. Trained by Firefighters themselves, our Explorer Post provides many different hands-on training experiences ranging from deploying fire hose, ladders, basic medical skills, and many other basic firefighting skills.

Our Explorers earn the right to Ride-Along with LPFD and experience first hand what its like to work as a Firefighter. Explorers will shadow Firefighters during daily life of responding to emergencies, training, physical fitness, cooking, daily chores, and much more. The Explorer post will provide a great insight into what it takes to become a Firefighter.

Thank You

The Livermore-Pleasanton Fire Explorers Post #933 would like to thank you for reading this pamphlet. It highlights the main ideas of who we are, what we do, how to become an LPFD Explorer, and some of the basic expectations that must be followed if accepted into the program. If interested in becoming an Explorer, you must apply and we look forward to seeing you in the interview process. If you would like more information about the Post, contact our Post Coordinators: Firefighter-Paramedic Jordan Reid or Firefighter-Paramedic Derek Green
